Subject: Draft Action Plan for Dimock

As a follow-up to the Administrator's briefing this afternoon on Dimock, attached is a draft of the action plan we are scheduled to provide to HQ by close of business today.

I recognize it is basically just an outline but keeping it like this should provide us with objectives and tasks balanced with the flexibility we need to implement actions when there are many uncertainties.

Your comments immediately would be appreciated.

Thanks, dennis.
